INTRODUCTION

Since 2018, ambitious young drivers and experienced amateur drivers have been battling it out in the **Alpine Elf Europa Cup** on Europe's finest circuits in a spirit of competitiveness and conviviality, so dear to the French brand. In this spirit, the Alpine Elf Europa Cup will be systematically accompanied by its cousin, the **Clio Cup Series**.

ALPINE FAMILY

Alpine is a community of enthusiasts and each driver entered for the season will benefit from invitations to several events organised for its partners (VIP invitation to the Le Mans 24 Hours, visit of the Alpine Endurance Team workshop and Alpine F1 Team factory, introduction to A110 driving, etc.).
